Ried Kirchweingarten 2020

CARNUNTUM

available in

750ml / 1.5L

SITE & SOIL Kirchweingarten is where we grow our most radiant Zweigelt, on about 1.2 hectares. This is a slightly sloping, southwesterly exposed hillside at some 180-190 metres above sea level, situated directly below the church in Höflein. The soil here has a markedly greater proportion of clay than our other sites. This gives the Zweigelt a particularly robust quality, refreshing acidity, a firm structure and a charming but precise character of expression.

GRAPE VARIETY Zweigelt

VINTAGE 2020 An outstanding vintage with a slightly later start to the harvest than in previous years. Warm days & cool nights. We harvested totally healthy grapes, and were spared any disease. Wines with pure varietal character & attractive body, with plenty of finesse & freshness await. 2020 is a vintage to look out for!

DESCRIPTION This wine is complex and exciting in the glass. Black berries in the nose accompanied by a powerful element of spice, a juicy core of sweet fruit and a satiny structure of tannins.
